## **Doug Hene Announces His Candidacy for Milton City Council**

June 16, 2023, MILTON, GA – After more than 30 years living and volunteering throughout the Milton community, Doug Hene is taking the step to protect the pride we share in Milton. Hene is running for the District 2, Post 2 Seat on the Milton City Council.

Having graduated from Milton High School in 1995, Hene (pronounced Hay-nee) still calls Milton home because he wants the same quality, pace, and space for his family. Doug and Lindsey live in the home they built 16 years ago on Bethany Way where they raised their two boys.

Hene says, "I'm from here and, God willing, I'll be here my entire life. Milton possesses a unique culture and identity. We deserve a City Council that protects the quality of life we enjoy and helps our families thrive. This town matters to me. I want our boys to come home and raise their families here. We're surrounded by family, Lindsey's and mine, and can't imagine a better place to raise a family."

Milton must retain the character that separates it from every other community - big trees, open fields, fewer people, and a slower pace - in an otherwise overcrowded North Metro Atlanta. When other cities are fighting for growth at all costs, Hene wants to protect Milton's uniqueness at all costs.

He believes growth should be measured, meaningful and right for Milton. He's already involved in this manner on both the Milton Design Review Board and District at Mayfield Steering Committee.

"The work we've done on the District at Mayfield Steering Committee is a prime example of how we can proudly stand together as a community and chart our path forward. We asked for input from our neighbors. We purposefully avoided influence from any one personal agenda and instead, listened, understood, and together we all crafted a shared vision for our community. That's worth celebrating," Hene said.

Hene has volunteered in Milton from his younger years at Milton High School, YoungLife and NorthPoint Church; to current roles at Stonecreek Church, YoungLife, King's Ridge Christian School, and the City of Milton.

"I enjoy serving my neighbors. Servant leadership in impactful roles is extremely fulfilling. I'm grateful for every opportunity to help my neighbors. Serving Milton will be a great responsibility and honor and I will do so with the utmost integrity."

###

**Doug Hene Background Information:**

Doug and Lindsey have been married 23 years. While Doug went to Milton High School, Lindsey went to Brookwood in Gwinnett County, and they met at the University of Georgia. While there, Doug studied Finance and played football for the Dawgs. He also has an MBA from Georgia State University. They are both involved at Stonecreek Church, YoungLife, and King's Ridge Christian School. Doug has been in technology sales for Broadcom (CA Technologies) 17 years. He is very active; enjoys exercising, playing hard, traveling, organizing men's groups and being with his family. They have two sons: Marshall just graduated from KRCS and is attending Samford in Birmingham, AL while Mathis will be a Junior at KRCS next year.
